#### PRINCIPAL'S UPDATE

*Hello to all,*

#### Central Coast Dance Festival

Best of luck to our wonderful dance group who will be performing at Laycock Street Theatre this week as part of the Central Coast Dance Festival. Many thanks to Ms Carly Dufficy who has spent many hours with the girls ensuring our performance is spectacular, Mrs Paula Mehrtens for her outstanding skills when making and fitting the outfits and to all parents who have supported their children in transporting to and from rehearsals.

#### Student Reports

Student semester reports will be distributed this week. I congratulate all students on the efforts they have put in. Special mention must go to our Kindergarten students who have worked extra hard and have made terrific gains in all learning areas.

One area of the report that can sometimes cause confusion is the use of the A-E scale:

It is important to remember that the achievement grades are used state-wide. Your child's work is being assessed against all the other children in NSW in the same grade. 'C' is the midpoint – this means children are working at the expected levels for his/her grade.

These reports represent the work of two terms. A student may receive a Sound [C] for a subject and then receive the same grade at the end of the year. That's OK! It means they have developed their understandings by six months since the last report.

**Sound [C]** – the student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.

**Basic [B]** – The student has a basic knowledge and understanding of the content and has achieved a basic level of competence in the processes and skills.

**Limited [D]** – The student has an elementary knowledge and understanding in few areas of content and has achieved very limited competence in some of the processes and skills.

**High [B]** – The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

**Outstanding [A]** – The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.

As always if you have any queries regarding your child's learning progress please make an appointment to speak with the class teacher.

### Term 2 Holidays

Wishing all families a happy and safe holiday period. Don't forget that students return on Tuesday 24 July.

Please remember that during the holiday period children will be out and about so be extra cautious when driving. Children do not have the mental capacity to be able to successfully judge distance or speed of cars when attempting to cross the road.

*Help keep our children safe!*

### Attention on Attendance

Congratulations to the 40 students who remain with a perfect attendance record for 2018. As we reach the middle of the year I am conscious that cold and flu season is well upon us and we thank parents who help stop the spread of disease by keeping their children home when sick. In the coming terms I will be acknowledging 2 groups of

students – those with perfect attendance as well as those with exceptional attendance. Watch this space for more information!

## PSSA GIRLS & BOYS SOCCER KNOCKOUT

On Tuesday 26 June, the girls' soccer team participated in a soccer match against Point Clare.

Even though we lost, all the girls contributed very well and had a great time. In the second half of the game we managed to score a goal, scored by Alexia K. We tried our best and never lost hope but sadly we didn't win.

Thank you to all the girls who participated in the soccer team. Also we could like to say thank you to Mrs Adams for coaching us and encouraging us to try our best.

**Written by Faith K, Minjy L and Anjeline M.**

On Monday 25 June, the boys' soccer team played at Fagan Park. The boys who played for Wyoming were Kodi T, Jett A, Joel W, Kai M, Cameron P, Ashton M, Nick T, Liam N, Joseph S, Josh K, Koda A-L, Jamie F, Kevin M and Deondre H.

The first game Wyoming played was against Valley View PS. The score against them was 7-0 their way. Then we were playing at 11.45am for our next game. We watched Gosford vs Point Clare and the team who lost, was Point Clare so we had to play against them in our second game. The score was 3-4 their way. Kevin scored our first goal in the first half. In the second half Kai scored 2 goals making it 3-4. We were close.

Thank you to the boys who played and represented Wyoming. Everyone had great sportsmanship.
