#### **PRINCIPAL'S UPDATE**

*Hello to all,*

#### **Welcome back to Term 4**

Welcome back to what is sure to be one of our busiest terms of the year! As we will need to communicate a number of important messages and dates to you as the term progresses can I please encourage all families to download the school app and keep an extra eye out for school notes which may have made their way to the very bottom of student bags.

#### **World Teacher Day**

Friday 26 October is World Teachers Day. During this day we celebrate the very special role that teachers play in a child's life and thank them for the care and effort that they show every day. We are extremely fortunate to have such an exceptional teaching staff who consistently go above and beyond the call of duty to ensure each child achieves their full potential.

#### **Healthy Canteen Award**

At the end of last term our canteen was awarded the Healthy Canteen status through the Department of Premier and Cabinet. This is a great accomplishment by our canteen manager Annette Sharpe as the NSW Healthy School Canteen Strategy is a key initiative to support the Premier's Priorities. The aim of the priority is to encourage students to make healthy canteen selections to support the development of long term healthy eating habits therefore having a positive impact on their lives.

#### **Supervision of students in the afternoon**

Our students are thoroughly enjoying our new playground equipment that was installed at the end of last term. While we are supportive of student's use of the equipment at the end of the school day this must occur in the direct care of parents/caregivers. Students are also reminded that the same safety rules apply after school as during school time.

#### **Commencement of HSC exams**

We are aware of a number of our ex-students who have commenced their HSC exams last week. We congratulate these students on the completion of their schooling and wish them all the very best during the exam period and as they embark on their next life adventure.

## Attention on Attendance

We are on the final countdown for students to receive a perfect attendance award for 2018! Congratulation to the 15 students who have maintained this rate – only 9 more weeks to go!

We also have 13 students who have had less than 2 days off this year. These students should also be extremely proud of their efforts.

## Dogs (and cats) at School

**NO DOGS**

**NO CATS**

Please be reminded that dogs and cats are not permitted in school grounds. This is legislated rule for all schools across NSW. Please

understand that while your dog or cat may be cute and well behaved we have students in the school who suffer from severe allergies and others who are extremely frightened of them. Your cooperation is greatly appreciated.

Have a great fortnight

## SCHOOL ASSEMBLY

### K-6 ASSEMBLY

This week's K-6 Assembly will be held this Wednesday 24 October from 1.35pm in the School Hall. Class 1/2H will perform an item.

## A SELECTIVE HIGH SCHOOL IN2020

**Year 5 students who wish to be considered for Year 7 entry to a selective high school in 2020** need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from mid-September 2018 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

The application website opens at that link on **9 October 2018** and closes on **12 November 2018**. **You must apply before the closing date.**

There are no paper application forms. If you do not have internet access, you could apply at a public library.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on **Thursday 14 March 2019**.

**Remember: the tear-off slip from the note sent home last term is not an application. It is a notice to say you intend to apply.**
