#### PRINCIPAL'S UPDATE

*Hello to all,*

#### Winter is Coming...

At last, winter has finally arrived! Please remember to provide your child with a school jumper or jacket which is labelled clearly with their name. A big thank you to all those students who consistently wear the school uniform-you look great!

#### Morning Supervision

I would like to remind parents and carers that there is no teacher on duty before 8:25am - no student should be at school before this time. The number of children who are dropped off at school before this time has been steadily increasing over the year. Don't forget that before and after school care is available at Wyoming Community OSCH, located at OLR. You can contact them on 43237483.

#### Cross Country Carnival

Congratulations to all of our cross-country representatives who braved the cold last Friday to participate in the zone carnival. It is my sincere hope that this carnival can be returned to its rightful location next year, but I would like to take this opportunity to thank Central Mangrove School for stepping in at such short notice.

#### Debating Success

Congratulations to our winning debating team - Renna, Sharlotte, Clare and Gabriella. These girls took on Gosford Public School on the topic "That we should ban all advertising for unhealthy things" and had a resounding win! They successfully argued the negative side. The team is coached by Miss Parkes and they are looking forward to their next debate against Narara Public School in a fortnight. Go team!

An Honour Certificate is awarded when a student has earned ten Certificates of Merit, ten Reading Awards of Excellence, ten Principal's Awards or a combination. ### About the eSafety Office:

We help all Australians have safer online experiences. Through education resources and advice we aim to improve the digital literacy and resilience of Australians online.

We also operate a complaints scheme for:

- \* cyberbullying material affecting Australians under the age of 18
- \* illegal and offensive online content.

### What is cyberbullying?

Cyberbullying is a distinct form of aggression. It differs from traditional bullying in the lack of verbal cues, the permanence of digital data, the 24/7 accessibility and the anonymity.

Research indicates that approximately 1 in 5 children (8-17 years old) have been cyberbullied.

### How the office can help you

- \* We work with social media services to remove serious cyberbullying material. This includes material that is seriously threatening, intimidating, harassing or humiliating.

- \* We provide advice and resources to parents, schools and the police to assist in addressing cyberbullying incidents.
- \* We refer and encourage young people to free confidential counselling and support such as **Kids Helpline** – 1800 55 1800 and **headspace** – 1800 650 890

Office of the Children's eSafety Commissioner

### HOW TO REPORT CYBERBULLYING MATERIAL

- 1 Report the cyberbullying material to the social media service
- 2 Collect evidence - copy URLs or take screenshots of the material
- 3 Report it to [esafety.gov.au/reportcyberbullying](http://esafety.gov.au/reportcyberbullying)
- 4 Block the person and talk to someone you trust

If the content is not removed within 48 hours

If you are in immediate danger, call 000 for help. If you need to talk to someone, visit [kidsline.com.au](http://kidsline.com.au) or call them on 1800 55 1800, 24 hours a day 7 days a week.
