PRINCIPAL'S UPDATE

Hello to all,

Education Week

We had a very busy Education Week last week! Our Careers Expo was a highlight, with people here representing different businesses, jobs and training options. We even had a fire engine which proved very popular with the children. Healthy Harold from Life Education pulled up on Monday to a very warm welcome-all classes K-6 have had the opportunity to attend an exciting lesson. On Thursday, the Stage 2 and 3 students participated in Maths Fun Day with a special workshop called World of Maths. On Friday our K-2 students enjoyed morning tea and a show with their grandparents, and the support unit students were swimming every day! I would like to thank the staff, students and families who all worked hard to ensure that each of these events was a success.

A big thank you to Lisa Matthews for your organisation of the delicious Morning Tea for our grandparents and also to Katrina Kemp for all your help towards preparing Morning Tea.

Debating Champions!!

They have done it again! Our champion debating team defeated the last of our local competition with the topic 'That teachers should have to participate in all school sport and exercise classes just like students'-what a hideous thought! The Wyoming team argued the affirmative position and was triumphant. Congratulations to Renna, Sharlotte, Clare and Gabriella who now have to wait to see who is brave enough to take them on in the next level of the competition. Thank you to Larny Parkes for her hugely successful coaching.

Prompt Payment

With all the extra activities occurring at school, it is timely to remind our parents about the importance of promptly responding to notes as they occur. It makes our planning very difficult when deadlines are not adhered to. Obviously, there is the occasional unavoidable hiccup, but we are finding that a large number of students are regularly missing out on important school activities because either the note or money didn't get back on time.

Your child's classroom teacher is always willing and able to answer any questions you may have about a particular activity-please don't hesitate to ask if you are unsure about whether or not your child should be participating. We are very choosy about what activities present the best value for money, and the school often contributes to the cost of the activity to decrease the financial burden on our families. For example, the school paid half of the \$10 Life Education fee, reducing the amount per child to just \$5.

Please keep an eye out for notes that require a response from you.

NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer free dental check-ups and preventive care to students as part of a school-based mobile dental program. Wyoming School has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent.

The program is scheduled to visit your child's school from 26/08/2019 to 31/08/2019.

Parent Information and Consent Packs will be sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided

2. Carefully complete the consent forms
3. Return the consent forms to the school as soon as possible

More information about the program is available on the NSW Health website: <https://www.health.nsw.gov.au/oralhealth/primaryschool/dental/>.
