PRINCIPAL'S UPDATE

Hello to all,

COVID Updates

As you may be aware the Department of Education has been working closely with the NSW Health to implement some relaxing of the COVID guidelines for families and schools. The most recent of these can be found at: <https://education.nsw.gov.au/covid-19/advice-for-families>

While non-essential adults continue to not be permitted on school grounds (except for pre-arranged essential meetings). We will be able to hold some end of year celebrations using COVID safe procedures.

Our hope is to run presentation day assemblies in individual classes with award recipients being invited to bring 2 guests. Likewise, the Year 6 Farewell Dinner and dance will proceed with some changes to the way in which drop off and pick up occur.

Your patience while we work through the details of the celebrations are appreciated and we will have information home to you as it becomes available.

Daily Organisation

We strongly encourage all parents to have a conversation with their child each morning about how they are to get home that afternoon.

While we understand that on occasion this arrangement may change, there are times where children become quite distressed if they are uncertain about their afternoon transport.

On occasions when a change has occurred please call our office staff who will ensure a message is relayed to your child. Please ensure any changed plans is communicated to the school prior to 2.00pm to ensure adequate time for the message to make it to the classroom.

NAIDOC
- Always Was, Always Will Be -

**Always Was,
Always Will Be.**
8-15 NOV 2020

NAIDOC 2020 invites all Australians to embrace the true history of this country – a history which dates back thousands of generations.

Always Was, Always Will Be. recognises that First Nations people have occupied and cared for this continent for over 65,000 years.

This country was criss-crossed by generations of brilliant Nations.

Aboriginal and Torres Strait Islander people were Australia's first explorers, first navigators, first engineers, first farmers, first botanists, first scientists, first diplomats, first astronomers and first artists.

The very first footprints on this continent were those belonging to First Nations peoples.

This nation's story began at the dawn of time.
