#### PRINCIPAL'S UPDATE

*Wyoming Public School - a dynamic community that provides educational excellence and nurtures resilient, empowered, creative and inspired learners.*

*Hello to All*

#### Just like riding a bike

After weeks of planning, we have all our students back to face to face learning - the school is buzzing with excitement, and it is lovely to be back together again!

Thank you to the P&C who acknowledged the hard work of staff during the lock down with some yummy treats - it was much appreciated!

#### Tell us what you think - return your survey

In 2021 we have worked hard to increase our communication with you through the school app and website. Now is your chance to let us know how we are going and what you think of our school. You can either complete the written survey sent home today or complete online via the app. Please return the survey sent home today by **FRIDAY 19 NOVEMBER 2021**.

### General Reminders

- ✓ Please remember to have push notifications turned on for our school app.
- ✓ All gates to the school are locked - please call 4325 2181 for assistance.
- ✓ Students must not come to school if they are unwell, even with mild symptoms of COVID-19. Any person who displays symptoms during a school day will be sent home and are not permitted to return from school unless they show proof of a negative COVID test and are symptom free or have isolated for 10 days where no medical certificate is available.

### Operation Art

Operation Art is an initiative between the Westmead Children's Hospital and the Department of Education which involves students from Kindergarten to Year 10 creating artworks to be displayed in the hospital. This year Wyoming contributed 2 artworks to the exhibition by Summer Bendeich (Year 2) and Akylah Coulter (Year 6). They will now hang proudly in the library for all to enjoy. Thank you to Mrs O'Riley for her co-ordination of our entries.

### Parenting Anxious Kids

Please follow this link to find a recording to the *Parenting Anxious Kids* session by Michael Grose held during week 3. It is available for viewing until 20 November 2021.

### STUDENT BANKING

For 90 years, the School Banking program has helped children learn about money, reinforced the importance of regular savings, and provided structure for parents to support their children to save.

Unfortunately, due to the ASIC review and government decisions, the CommBank is unable to continue providing programs in schools and has decided to close the School Banking program nationally.

Wyoming Public School has decided to cease Student Banking from this term.

If students would still like to redeem their 10 silver tokens or gold tokens, they can bring them to the office to be processed.

Thank you.
