PRINCIPAL'S UPDATE

*Wyoming Public School - a dynamic community that provides educational excellence
and nurtures resilient, empowered, creative and inspired learners.*

Hello to all,

Mid Term Reminders

It is hard to believe that we are halfway through Term 2 already. Teachers are busily working on student reports and look forward to sharing your children's successes with you.

As the weather cools down please take this opportunity to check that your child's clothing and lunch box(s) /drink bottle(s) are labelled with their full name. Our P&C has kindly sorted through the large amount of lost property that had accumulated and returned labelled items to their owners. If your child's items are not labelled, we are unable to return them.

Random NESA Inspection

This year Wyoming Public School was one of 26 schools who were randomly selected to have curriculum documents in HSIE inspected for compliance with the NSW Education Standards Authority guidelines.

This process reviewed our scope and sequences, teacher timetables, teaching programs, assessment plans and student work samples. I am pleased to report that we excelled in all areas (as I expected!) – thank you to all teachers who readily supplied documents on the day at very little notice.

Teacher Professional Learning

At Wyoming we pride ourselves in ensuring that all teachers use research-based teaching methods that support students to achieve their full potential. Due to this, teachers are at times required to attend professional learning and are absent from their class.

While I know this can be concerning, please be assured that we have systems to ensure continuity of learning and that the same teaching program is followed in the class even on the days that your child's teacher is away.

NAPLAN

Congratulations to all students in Years 3 and 5 who have now completed their NAPLAN assessments. I am pleased to report that all students participated to the best of their ability with minimal disruption occurring to the rest of the school. Thank you to Mrs Lara Lenton for her work as our NAPLAN coordinator and Miss Jacqueline Nagle for her technology support.

Please remember that NAPLAN results are just a small part of how we get to know your child's achievements. The most useful information that we gather is from the work they complete in class.

Headstart

Welcome to all families and students new to our school who have joined the Headstart program. If you know any families, friends or neighbours within our school zone who have a child due to commence Kindergarten 2022 please encourage them to call or pop into office and collect an information pack.

Have a great fortnight

WEEKLY AWARDS

HONOUR CERTIFICATE

An Honour Certificate is awarded when a student has earned ten Certificates of Merit, ten Reading Awards of Excellence, ten Principal's Awards or a combination. Students may collect their Certificates of Merit, Reading Awards of Excellence and Principal's Awards over a number of years to earn their Honour Certificate.

I have presented an Honour Certificate to the following students.

Maddison B

Molly L

Congratulations!! Keep up the great work.

PRINCIPAL'S AWARDS

Just a reminder that the class awards collected for the Principal's Award must be collected within the one school year. As each class award is used towards a Principal's Award it is marked on the back. This means that a class award can only be used once towards a Principal's Award.

The following students have been presented with a Principal's Award.
