PRINCIPAL'S UPDATE

Welcome back to Term 4

Welcome back to what is sure to be a very busy term!

Despite the wet weather during the holidays our bus bay area upgrade commenced with the pouring of concrete and new seat installation. This work has been jointly funded with the school P&C and we thank them for their support.

We hope to have the second part of this project (covered awning) installed early in 2023.

Our taxi drop off zone is also in use with the covered walkway due to be completed in the coming weeks.

As mentioned at the end of Term 3 we welcome the return of Ms Nola Ritchie to the office, farewell Mrs Tracy Hooper and look forward to getting to know Mrs Carla Brown as she commences as our School Administration Manager. We also send best wishes to Mrs Michelle Francis and her bionic leg.

Student Mobile Phones/Smart Watches in School

As per our school policy all mobile phones/smart watches must be handed in to the office at the start of the school day. Due to the large number of devices that we are storing we require all items to be clearly labelled with your child's name. The school is able to provide a label if required.

Parking Around the School

Unfortunately, with the parking at Maidens Brush Oval out of use there are an increased number of cars looking to park around the school. Please be mindful of our neighbours and ensure that you are not blocking access to houses or laneways.

Public Speaking

Congratulations to the students who represented our school in the Central Coast Primary Schools Round 1 Public Speaking Competition at the conclusion of Term 3.

Week 2 Term 4

Wyoming Public School

Thank you to Miss Emily Marsh for her organisation of the day which was held in our hall and involved competitors from 6 other Central Coast Schools.

COVID Update

You may have heard that the National Cabinet announced their decision to remove the isolation requirements for COVID-19 positive cases. Further information regarding these changes will be distributed once available.

Until then we ask all parents to continue to support the health of staff and students by ensuring students remain home when they are sick.

CENTRAL COAST PUBLIC SPEAKING COMPETITION

Last Term on the Wednesday 21 September, Wyoming Public School hosted the regional heats for the Central Coast Public Speaking competition. Six local schools, along with our incredible stage winners showcased their impressive speeches for a chance to move on to the final round of the competition.

I would like to congratulate Alannah S (Kindergarten), Loxley J (Stage 1), Cooper J (Stage 2) and Ben W (Stage 3) on their remarkable efforts on the day. They all presented fabulous speeches, spoke confidently and represented our school with pride. The practice and effort our speakers had put into their speeches was evident on the day and was a joy to witness. Well done everyone!
