PRINCIPAL'S UPDATE

Wyoming Public School - a dynamic community that provides educational excellence and nurtures resilient, empowered, creative and inspired learners.

Hello to All

It has been a long term...

It has been a long and busy term, but we have made it! Hopefully the school holidays will be a chance for some rest, recuperation and rebuilding of immune systems.

Thank you again for your ongoing support in keeping children home while sick and towards our staff who have worked tirelessly to ensure that experiences such as carnivals and excursions return to school life.

Important Information - Thursday 30 June 2022

On Thursday 30 June 2022, the NSW Teachers Federation is requesting its members to take industrial action in the form of a 24-hour strike.

Due to this industrial action our school will operate with **minimal supervision**. Students attending on this day will likely be grouped together and will not engage in normal programmed lessons.

We apologise for any inconvenience the 24-hour strike may cause families and appreciate the support of our community. School will resume normal operations on Friday 1 July.

Term 3 Staffing

Mrs Francis will be on leave for the first 5 weeks of Term 3. Miss Jacqueline Nagle will replace her with Miss Emily Hurst relieving in the AP support position.

Ms Nola Ritchie will also be on leave for the duration of Term 3 with her replacement to be finalised in the coming days.

NAIDOC

We look forward to celebrating NAIDOC with our school community on Tuesday 28 June. Students will be participating in a variety of cultural experiences with all families welcome to join us at lunch time for a picnic and celebration assembly.

Thank you to Mrs Katie Hansen and Mrs Sharen Herbert for their organisation and to all parents assisting throughout the day.

A copy of the letter sent to families is available on the app and website.

Student Reports

Student reports will be distributed on Wednesday 29 June. We encourage all families to read and reflect on the contents of the report spending time with your child to celebrate achievements and discuss areas where further commitment may be needed.

Education Week

Education week will be celebrated in Week 3 of Term 3. We will have a special assembly on Monday 1 August commencing at 9.10am with all families welcome to join us in the hall. The theme for 2022 is "Creating Futures- Education Changes Lives." Ms Nagle is busy organising a video sharing the many activities students have participated in thus far and Mr Walter is also busy organising our World of Maths Day for Thursday 4 August.

Crossing Safety

Wyoming Public School is fortunate to have Mrs Julie-Anne Miller as our crossing supervisor. We ask for your help in keeping everyone safe by ensuring your children stay behind the line while Julie-Anne instructs traffic to stop and only have them cross when directed. We also strongly encourage that you follow road safety guidelines by holding the hand of all children under the age of 10 while crossing the road.

Busy Building

You may have noticed lots of workers around the school during the past week. Wyoming has been very lucky to have 2 major projects approved including an upgrade of upstairs D block as well as

the construction of a disability access entry/exit and parking/drop off zone at the Veronica Crescent gate.

While we are working hard to minimise the disruption to students, we do expect that some additional noise will occur throughout construction.

Take Care

An Honour Certificate is awarded when a student has earned ten Certificates of Merit, ten Reading Awards of Excellence, ten Principal's Awards or a combination. Students may collect their Certificates of Merit, Reading Awards of Excellence and Principal's Awards over a number of years to earn their Honour Certificate.

I have presented an Honour Certificate to the following students.

COMMUNITY NEWS

Go4Fun is a free 10-week healthy lifestyle program for NSW children aged 7-13 and their families. Run by trained health professionals, it's a fun way to build self-esteem and learn about eating well, staying active and living a healthy life. The program encourages children to develop healthy habits, fosters families learning together, and supports parents and carers to provide healthy home environments. Children will need to meet criteria when registering.

Each program has at least two facilitators, a theory leader (nutrition and mind sessions) and a physical activity leader (physical activity sessions). Ideally, the program consists of 10 sessions, once per week for 10 weeks (although at times it may be adapted to a 9 week program).

Highlights include:

- Weekly games and activities for children
- Fun, interactive discussions to teach them easy and effective ways to improve their child's nutrition, physical activity and self-esteem
- Practical demonstrations, games and tips about healthy foods, label reading and portion sizes
