#### DATES TO REMEMBER

##### **Thursday 16 June**

Stage 3 excursion to Sydney  
Sydney North Cross Country

#### PRINCIPAL'S UPDATE

*Wyoming Public School - a dynamic community that provides educational excellence and nurtures resilient, empowered, creative and inspired learners.*

*Hello to All*

Thank you for your ongoing support in keeping students who are sick at home. The cough/cold/flu season has hit our school early (in both staff and students) and we appreciate your assistance in limiting the spread through the school.

Don't forget that children can continue to come to school if they live in the house with someone who tests positive to COVID provided they complete a RAT each day (for 5 school days), are symptom free and the school is informed of their close contact status. Unfortunately, this does not apply to students within support classes due to increased health risk in these settings.

#### Winter weather has arrived

Winter cold weather has hit with full force last week. Please remember to label your child's jumpers and jackets as our lost property is looking very full.

If your child would like to add a beanie, scarf or gloves to the uniform we ask that you keep them to bottle green or black in colour. A plain white long-sleeved shirt under the red t-shirt could also be added for those students who are particularly susceptible to the cold.

#### Congratulations Stage 3

Congratulations to our Stage 3 students on their exceptional behaviour while away on camp. I am pleased to report that while away our students were complimented for the respectful behaviour by both members of the community and from places that were visited.

Overnight excursions take a great deal of organising and commitment from staff and I extend a big thank you to our dedicated team who made this experience possible for students.

### NETBALL KNOCKOUT

On Monday 30 May, 8 students travelled to Adcock Park to play in the PSSA Netball Knockout Competition.

The team played extremely well together and displayed wonderful sportsmanship. It was a great to watch their skills develop and confidence grow as the day went on.

A big thank you to Mrs Ure for helping with transporting the team.

NETBALL COACH

### WEEKLY AWARDS

#### HONOUR CERTIFICATE

An Honour Certificate is awarded when a student has earned ten Certificates of Merit, ten Reading Awards of Excellence, ten Principal's Awards or a combination. Students may collect their Certificates of Merit, Reading Awards of Excellence and Principal's Awards over a number of years to earn their Honour Certificate.

I have presented an Honour Certificate to the following students.

Cooper A  
Kamilah S

Congratulations!! Keep up the great work.

## PRINCIPAL'S AWARDS

Just a reminder that the class awards collected for the Principal's Award must be collected within the one school year. As each class award is used towards a Principal's Award it is marked on the back. This means that a class award can only be used once towards a Principal's Award.

## COMMUNITY NEWS

Go4Fun is a free 10-week healthy lifestyle program for NSW children aged 7-13 and their families. Run by trained health professionals, it's a fun way to build self-esteem and learn about eating well,

staying active and living a healthy life. The program encourages children to develop healthy habits, fosters families learning together, and supports parents and carers to provide healthy home environments. Children will need to meet criteria when registering.

Each program has at least two facilitators, a theory leader (nutrition and mind sessions) and a physical activity leader (physical activity sessions). Ideally, the program consists of 10 sessions, once per week for 10 weeks (although at times it may be adapted to a 9 week program).

Highlights include:

- Weekly games and activities for children
- Fun, interactive discussions to teach them easy and effective ways to improve their child's nutrition, physical activity and self-esteem
- Practical demonstrations, games and tips about healthy foods, label reading and portion sizes
