Monday 9 October

Students and Staff Return

Wednesday 25 October

Central Coast Choral Festival Rehearsal
and Performance Day

PRINCIPAL'S UPDATE

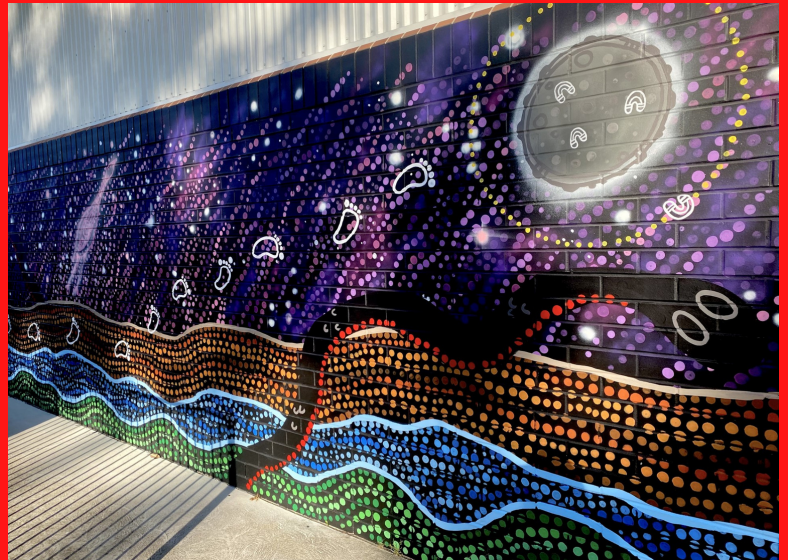

Hello to All,

When times are tough

It is when times are tough that our community truly shines – thank you for the kind words, fond memories and support that have been shared with staff, students, and the Condran family as we navigate the passing of Russel.

Story behind the mural

Keep an eye out in future weeks for our new sign which will explain the story behind our mural on the side of the hall. For those who cannot wait why not scan the QR code below for a sneak peek?

Personalised Learning Pathway (PLP) afternoon celebration

Thank you to all families who joined us last week for our Personalised Learning Pathway (PLP) celebration afternoon. The PLP process helps us to build connectedness with our Aboriginal students and families and guides us in what cultural interests and needs can be planned for future terms.

Wyoming Public School

Public Speaking

Congratulations to Taleni T (Kindergarten), Xavier B (Stage 1), Charlotte V (Stage 1), Loxley J (Stage 2) and Abigail P (Stage 3) who represented Wyoming Public School on Wednesday 13 September at the Central Coast Public Speaking competition. Each student showcased an impressive speech and spoke confidently to their audience. They should all be very proud of their efforts.

A special thank you to Miss Emily Marsh who is our school Public Speaking Organiser and has done a terrific job again this year.

Showcase

We look forward to sharing our showcase with you this week – don't forget to keep an eye on our website where a recording of all performances will be available.

A very big thank you and acknowledgement must go to our teachers who have dedicated many hours in choreographing and planning each performance and to Mrs Carla Brown who became our expert costume purchaser. A special mention must also go to Mrs Madeline Abbot who despite her growing baby bump has organised all activities in front and behind the curtains – Thank you!

Term 3 Holidays

As we head into the holidays and the air becomes warmer, we hope that all families will be able to spend some time together during the holidays to rest and rebuild for what is sure to be a very busy Term 4.

It has been lovely to have Heidi Smart as our relieving School Administration Officer for Term 3 and we wish her all the best in her future endeavours. We welcome Nola Ritchie back to her position for Term 4.

Take Care

Rebecca Wild

Principal

Wyoming Public School

P&C UPDATE

As this term comes to an end, please check the lost property tubs for any items that may belong to your children. Any unlabelled items will be washed and given to the clothing pool or disposed of. During the holidays please take time to name all your children's items so we can return them if they get lost.

Also a reminder that we have two Facebook pages that are regularly updated with school and canteen information. These are:

Wyoming Public School P&C Information Page and **Wyoming Public School Canteen**.

However, please remember that the school app, newsletter or contacting the school office is the best way to get accurate information.

Have a safe and happy holiday!

Thank you

Sarah Viola
P&C president

Colouring in competition

Recently the students at Wyoming Public School participated in a colouring-in competition for the Reptile Park.

Each stage winner received a family pass to the Reptile Park and the runners-up received one adult and one child pass.

It was extremely difficult to choose the winners!

A big thank you goes to Reptile Park for running this fantastic competition.

The winning entries have been taken to the Reptile Park to display.

Mrs Walton
Librarian

Colouring- In Competition Winners

Support Class: Mia A
Early Stage One: Charlie W
Stage One: Natalie R
Stage Two: Kailee M
Stage Three: Tadhg C

Runners -Up

Support Class: Calum P

Week 10 Term 3

Wyoming Public School

Bouddi National Park Excursion

On Wednesday and Thursday the 6th and 7th of September, Stage 2 students went on an excursion to Bouddi National Park. While embarking on the Coastal Walk up to the Gerrin Point Lookout, we saw some spectacular views of Putty Beach and Maitland Bay. The students completed a variety of activities such as field sketching, watercolour painting and collecting soil samples while our guides from the Rumbalara Environmental Education Centre taught us about sustaining and caring for the environment as well as some local Aboriginal and early settler history. A wonderful day was had by all.

NSW Department of Education

Every Day Matters

Attending school every day allows your child to get the most out of their learning and improve their career and life options.

Regular school attendance can help expand your child's learning and create positive relationships with their peers.

If you require support in getting your child to school for any reason, please reach out to us.

If you need interpreter assistance to contact the school, please call 131 450, tell the operator what language you need and ask them to phone the school. The operator will get an interpreter on the line to assist you with your conversation. You will not be charged for this service.
