## PRINCIPAL'S UPDATE

Hello to All,

### **Central Coast Awards of Appreciation**

During our Education Week assembly, we took the opportunity to thank 2 hard working members of our community who have supported both our school and the P&C over a number of years.

Congratulations to Catriona Creek and Craig Black for your well-deserved recognition!

### **What is Showcase?**

While showcase is "something that we just do" here at Wyoming we have realised that due to the varying restrictions that we have had over the past few years we have more families in the school who have not been involved in a showcase to those who have!

Our Showcase is Wyoming's version of a school variety show with all classes taking part in a performance. Staff and students work hard during Term 3 choreographing and designing outfits that light up the stage and it is always a day of great joy, fun, and laughter!

In-case you missed the note from earlier this term make sure you have Tuesday 19 September marked in your diary and buckle up for a show that is sure to entertain.

Like all our correspondence a copy of the note can also be found on the school app and website.

## Help save Miss Nagle's voice

Every afternoon Miss Nagle has the great pleasure of reminding students that they need to have a helmet to ride their bike or scooter to school. Please help save Miss Nagle's voice by ensuring your child has a properly fitting helmet and they understand that it is used for the protection of their head and not the handlebars!

Your support is appreciated.

## Use of social media platforms

Like all schools, we are finding increasing reports of students using social media platforms such as Facebook, TikTok and Snapchat after school hours (and sometimes in the early hours of the morning while the household is asleep!)

While it is hard to be the "internet police" we remind all families that these platforms have age restrictions in place to protect children and young people.

We recommend all families familiarise themselves with the eSafety Commissioner at <https://www.esafety.gov.au/>. This website is designed to help you stay up to date on key topics and seek further assistance on where to report concerns to.

Take Care
