PRINCIPAL'S UPDATE

Hello All

WELCOME BACK

Buckle up and hold on tight as Term 4 has kicked off with its usual speed.

Welcome to our new families this term – we look forward to having you as part of our community.

Just a reminder to please ensure that you have the SENTRAL parent portal downloaded and linked to your children as this is the main form of communication between the school and families. If you have any questions or concerns, please contact our SENTRAL superhero Carla Brown in the office.

You will find photos of school events and excursions on the website. Our Administration Officer responsible for the website is currently on leave and so there has been a slight delay in the colour run photos being uploaded – this should occur in the coming fortnight on her return.

STAGE 3 CAMP

What phenomenal 3 days Stage 3 had on our camp to Sydney! There was not a second to spare as we crammed as much activity as possible into every waking hour. I am confident that all students slept very well on Friday night (as I know I did!)

Please join with me to thank Mrs Lara Lenton for her meticulous planning of our trip. It is a massive task to design and plan a 3-day camp for 88 students that includes train, ferries, light rail, river cat and bus. Mrs Lenton ensured that there was an experience for everyone!

Week 2 Term 4

Wyoming Public School

Thank you also to Miss Demi Looney, Miss Jessica Evans, Miss Kiara Priestland, Mr Matthew Walter and Mrs Rose Wastell for accompanying our students. It is a big ask of goodwill to leave your family for 3 days and each of these staff members did it with a smile on their face and a firm commitment to ensure this trip was one that students will always remember.

Photos will be uploaded to the website as soon as possible.

MAIDENS BRUSH OVAL PLAYGROUND

Several students are frequenting the Maidens Brush Oval Playground prior to school each morning and running across the road when they hear the morning school bell.

Please take this opportunity to talk to your child about whether they have your permission to be in the park prior to school or if you expect that they enter the school grounds and sit in the allocated location.

No staff supervision is provided at the park before or after school. Following a number of reports of incidents occurring outside of school hours I strongly encourage all families to accompany and supervise their children at the oval at all times.

Have a great fortnight!

Rebecca Wild

HYDE PARK BARRACKS - STAGE 2 EXCURSION - CONVICT LIFE AT THE BARRACKS

Stage 2 students visited Hyde Park Barracks in September where they learnt about convict life in early Sydney. They even got to wear convict shirts marked with the broad arrow and were put to work laying bricks under the watchful eye of their overseer!

The students were able to handle historical items such as coins and chains and even tried out the hammocks in the cramped sleeping quarters. We all had a fabulous time and even enjoyed some time in the nearby beautiful Hyde Park.
