PRINCIPAL'S UPDATE

Hello All

NAIDOC DAY CELEBRATIONS

Our staff and students are looking forward to celebrating NAIDOC day on Wednesday 3 July. All students are welcome to invite 2 adults to celebrate the day and enjoy a picnic lunch together (BYO food, rug/camp chair etc).

No High School aged children are permitted to attend.

SCHOOL REPORTS

Don't forget that Semester 1 reports will be available for download via the SENTRAL parent portal on Wednesday 3 July.

Please contact your child's classroom teacher (via the office) if you would like to discuss any aspect in more detail.

As previously mentioned, reports will not be printed on mass this year. If you require a printed copy, please speak to the office so this can be arranged.

SAVE THE DATE – SMALL STEPS ANXIETY PRESENTATION

Thank you to everyone who responded to our survey regarding the small steps anxiety presentations.

I am pleased to announce that we will be hosting a presentation on 10 September from 6-7.30pm. This presentation will focus on children as they move into Kindergarten up until Grade 2.

Unfortunately, there was not enough interest to move forward with the senior year's presentation.

A MESSAGE FROM EAT UP

We're fortunate to have the support of Eat Up Australia, providing sandwiches to students in need. Eat Up tirelessly fundraises to make this possible. If you, your workplace, or anyone you know can contribute to Eat Up, please reach out to them at lindy@eatup.org.au.

WILL YOUR CHILD BE ONLINE OVER THE HOLIDAYS?

With the holidays just around the corner, your children might be spending more time online for entertainment and to connect with their friends. As a parent or carer, you can help them have safe and positive experiences online. Have a conversation with your child today about how to stay safe online and to deal with online safety issues like cyberbullying, inappropriate content or unwanted contact.

The eSafety Commissioner (eSafety.gov.au) has lots of great advice and resources for parents and carers to help keep young people safe online.

Wishing all families a happy and safe school holiday!

P&C UPDATE WEEK 10

Thank you for all your support donating coins for our Coin Drive. We raised over \$1000!

The winning class was 2-6L who will receive a special morning tea. However, because of the fantastic effort from all classes, we have decided to reward each child with an ice block.

We look forward to more P&C fundraisers next term including Athletics Carnival BBQ, Father's Day Stall and Pie Fundraiser.

Next P&C meeting is Thursday 25 July at 1:30pm.

Have a relaxing break everyone!

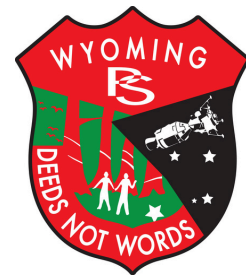

Thank you

Sarah Viola P&C President

PUBLIC SPEAKING

Thank you to all Wyoming Public School students who participated in our annual public speaking competition. Congratulations to all the students for their efforts in preparing and presenting their speeches and thank you to all the parents who helped their children in preparation. I know all the teachers were very impressed with the standard of public speaking at Wyoming.

Our fabulous school stage winners will showcase their speech in the hall on Tuesday 2nd July at 1:30pm. Parents and the community are welcome to attend. Finalists and winners will be presented with a school certificate and all Stage winners will have their name engraved on our Wyoming Public School trophy that will be displayed in our school foyer.

HELLO DINGO INCURSION - 18/20.06.2024

In week 8, Stage 2 had the most wonderful opportunity to meet two real live dingoes! Students were treated to a Q & A session with Rob the dingo handler, who shared his wealth of knowledge about dingoes and told us the rescue story of his dingoes, Flynn and Bindi. Some students were lucky enough to have an even closer encounter with the dingoes and actually pat them or feed them treats!

We learnt lots of amazing facts about dingoes in addition to what we have already been learning in class this term. For example, did you know that dingoes are found everywhere in Australia except for Tasmania?

It was great to see the students have a real dingo experience as we are finishing off our 'Wandi' text study unit. This novel is based on a true story about a dingo pup who was attacked by an eagle, rescued by a kind-hearted human and delivered to a sanctuary. Wandi still lives today at the Dingo Discovery Sanctuary and Research Centre in Victoria.

We are so very lucky to have these opportunities available to us at Wyoming Public School and we would like to thank everyone involved in making this happen! For more photos, visit the WPS website.

NSW STATE LIBRARY VISIT - FAR OUT! TREASURES TO THE BUSH! - 19.06.2024

In week 8, Stage 2 received a free visit from the NSW State Library in Sydney who brought a variety of historical presentations, costumes and artifacts to share with us. This came at a great time as next term, we will be studying 'First Contacts' in History.

The presenters took us on a historical journey of the different explorers and navigators from Europe who stumbled upon Shark Bay in Western Australia hundreds of years ago. Some very enthusiastic students were chosen to portray these characters and tell the story of how Australia was 'discovered' by Europeans and slowly mapped over time.

Students were also lucky enough to view some artifacts which were hundreds of years old including a journal written in 1619, with a drawing of Dirk Hartog's ship. There was also a pocket globe which was used by navigators in 1754! William Dampier's map was also on display which was drawn in 1703 and shows a half-drawn map of 'New Holland', now known as Australia!

Again, we would like to thank all involved in making these incursions happen for our students! For more photos, visit the WPS website.
