PRINCIPAL'S UPDATE

Hello All

SHOUT OUT TO THE P&C

It has been another busy fortnight for our P&C as they made lining up to vote a little sweeter with their cake stall! There have been several comments received about the freshness, wide range of choice and decorating skills displayed on the day.

Thank you again, your commitment to raising funds for our school is appreciated.

COLOUR RUN

The excitement is building for our colour run being held on Wednesday 25 September.

This is a free event for students at Wyoming Public School. Older siblings who are high school age or siblings who attend different schools are not permitted.

Gates will open at 1.10pm with parents welcome to watch from the designated viewing area (entry to school via Maidens Brush Road pedestrian gate).

Students will be provided with a pair of sunglasses and a headband as a memento of the day – don't forget students must wear enclosed shoes to join in the fun!

Many thanks to our P&C for their funding of the day and to Miss Kiara Priestland for her organisation.

EXCURSIONS AND CAMP

It has been a busy end to Term 3 with each grade participating in an excursion (Kindergarten to Golden Ridge Animal Farm, Stage 1 to The Australian Reptile Park, Stage 2 to Hyde Park Barracks and Stage 3 to their camp in week 1 of next Term).

It is always heartening for staff to see our students in a different environment and witness the excitement in their voice as they experience new opportunities, however these days also take a great deal of organisation and often also involve staff working well beyond their normal working hours.

If you have an opportunity in the coming week, please take a chance to acknowledge your child's teacher for all that they do!

WOO HOO – ITS HOLIDAYS!

The weather is warming up and the countdown to term break is on (for students and staff alike!) I hope all families find some time to enjoy being with each other over the coming weeks.

School returns on Monday 14 October.

Have a great holiday

PEER SUPPORT

Our Peer Support program is well underway. The leaders are to be highly commended on the way they care for and support the students in their groups, their preparation each week and commitment to doing their best. As the 'pioneers' of our Peer Support program – they have set a very high standard for the junior students when they become leaders in the years to come. Well done Stage 3!

So far in our focus on Keeping Friends, our Peer Support Stage 3 leaders have led the students in:

- looking at the qualities their friends may have and the concept that we choose friends based on the qualities we admire in them
- types of friendships – 'best friends', 'friends', 'people we know' - and the fact that friendships can change over time for various reasons
- the importance of support networks and the role friends play in each other's lives
- how to maintain friends, build positive relationships and the importance of taking turns and having consistent rules throughout a game
- how to join groups and accept others into their friendship groups. Student will have a chance to practice these skills as well as how to say no in a respectful way so they don't lose friends

The final weeks' sessions will focus on:

- skills of winning in a friendly way and coping with losing – accepting the outcome of a game, no matter what it is, in a friendly way in order to maintain friendships
- playing a board game, where they will reinforce all the concepts and skills learnt during the program about being a good friend and the skills needed to maintain friendships and make new friends.

GOLDEN RIDGE FARM

On Friday 13 September Kindy set off on a big adventure to Golden Ridge Farm at Dural. The students were extremely excited leading up to the excursion and it is fair to say that the farm lived up to all expectations and then exceeded them.

When we arrived at Golden Ridge Farm we quickly gobbled down morning tea before we milked Betty the cow. From there we needed to bottle feed the kids. Not our kids...the baby goats! After that we got up close and cuddly with ducklings, chicks and bunnies before heading out on a farm walk.

We helped feed the goats, sheep, calves, llamas and alpacas. After feeding the animals from behind the fence it was time to give some of the animals a pat on the other side of the fence. The students loved this part of the day and it is safe to say that we definitely have some future farmers or animal whisperers in the mix.

After all of the farm work it was time for some lunch and a play before boarding the bus back to school.

The trip home was far quieter than the trip there and I am sure the kindy kids all slept very well that night. The staff certainly did!
