Welcome to Stage 2!

We are looking forward to a great year. This year the class teachers will be Mr Matthew Walter (Assistant Principal), Mrs Lara Lenton, Mrs Felicity Walker, Mrs Emma Horton, Miss Kelsi Phillips and Ms Larny Parkes.

Over the next four terms we will be studying the following units. Each unit will include an assignment to be completed at home.

Term	Topic	Excursion
1	Getting Warmer	Jollybops Science Show \$6
2	First Contacts	Sydney Tower Eye Sydney Museum approx. \$40
3	Are You Alive?	The World of Maths \$6
4	The Earth's Environment	Field Study \$6

English

Students will be taught through the Focus on Reading program. Each term there will be a major book study. This year the quality texts will be: Charlie and the Chocolate Factory, The Unlikely Story of Bennelong and Phillip, Stلالuna and The Little Refugee.

Maths

All students take part in the Basic Maths Program. This program teaches facts for the four operations $+$ $-$ \times \div . All students will also take part in daily multiplication practice.

Book Work

In Stage 2 students will be provided with the following books - Reading, Spelling, Writing, Maths, Geography & History, Science & Technology and a workbook. Special covers have been purchased to cover these books.

Assembly

Our school has a whole school assembly each fortnight. Each class will present an item throughout the year.

Scripture

On the alternate week to assembly, our school has scripture. There are three groups: Catholic, Combined and non-scripture.

Home Reading

Each child will receive a home reading log. Students are provided with books to read at their level of skill utilising the 0-30 benchmark. Students that are 30+ are independent readers who can choose their own books from the library or home. Students need to fill in their log and have a parent sign it. Discussing the book with your child and asking questions will help with the comprehension development that is being taught at school.

If you have any queries please contact your classroom teacher to arrange an appointment. We look forward to working with you and your child this year.
