## 2021 INTERNATIONAL COMPETITIONS AND ASSESSMENTS (ICAS)

This year students that are part of the extension in writing "Authors Group" are invited to participate in the ICAS writing assessment.

**The cost for these students will be covered by the school.**

The goal is to provide these students with greater opportunities to practise their writing, especially under test conditions. The ICAS writing assessment results also provide individual feedback and a certificate.

If interested there are other assessments that can be completed at additional cost of \$17.05 each. **The assessments are online and will be delivered throughout the months of August and September.**

The other assessments are:

- Digital Technologies (Years 3-6 only)
- Science (Years 2-6)
- Spelling (Years 2-6)
- English (Years 2-6)
- Mathematics (Years 2-6)

**Please note that these tests have been designed for gifted and talented students.**

If interested in any of these additional assessments.

- **Please note: DO NOT PAY THE SCHOOL DIRECTLY OR USE PoP.**
- **All entry fees are to be paid by Friday 16 July 2021 using the ICAS Assessments website.**
