## Change of Teachers 5/6G

Dear Parents

I would like to inform you of and extend my congratulations to Miss Jacqueline Green who has accepted a teaching position closer to her home.

I am very pleased to announce Mr Michael Burleigh will be joining us to teach 5/6G for the remainder of the school year. Mr Burleigh has been a member of our staff as a casual teacher and is enthusiastic to join us full time.

To ensure the smooth transition of teachers both Jacqueline and Michael have discussed the learning needs and teaching program for all students. Michael will commence his full time position at the commencement of Term 2.

Please note that the class name remains 5/6G.

Kind Regards

Rebecca Wild
