Dear Parent/Carers,

We would like to welcome all our Aboriginal and Torres Strait Islander families in for a yarn about what is happening at school this year. We have lots of new and exciting cultural experiences planned for the year ahead and would love to hear your ideas about enhancing the learning experiences of our indigenous students. We want to build strong relationships with our families and community, so we would like your help with a few projects. We are considering the development of a 'Yarning Circle', to be built as an outdoor learning area.

A meeting is planned on **Tuesday 27 April** at **2:00pm** to have an informal chat in Sharen Herbert's cultural room in D Block.

If you could indicate whether or not you will be attending, that would be greatly appreciated for COVID restrictions and social distancing requirements.

We look forward to working with you all this year.

Please return the slip below to your child's class teacher or Sharen Herbert as soon as possible.
