Kindergarten news topics - Term 2 2021

Dear Parents,

In Term 2, Kindergarten News presentations will have a different focus each week. Your child needs to speak for approximately one minute. Children may bring in photos, drawings or objects from home to help them.

Week	Topic/Focus
1	No news
2	My favourite animal
3	When I grow up
4	My family
5	Free choice
6	My favourite book
7	My pet/if I had a pet
8	Tell a joke or share an interesting fact
9	Free choice
10	No news

We will be working towards:

- Asking interesting questions that are related to the topic.
- Speaking in a clear and audible voice.
- Looking at the audience when speaking.
- Staying on topic.
- Attentive listening as an audience member.

We ask that children do not bring expensive toys or valuables to school. Students will be responsible for objects brought to school

Kind Regards,

Freya Lawrence, Megan O'Riley and Emily Marsh
