## Central Coast Dance Festival – Laycock St Theatre

---

Dear parent or caregiver,

A few final reminders for the night of the performance on **Thursday 17 June**.

Please ensure your child is dropped off at Laycock Street Theatre by **5:15pm** in their full dance costume. I will be waiting at the side entrance. Students will need to bring warm clothes to wear over the top of their costume.

**Costume:**

Hair is in a high ponytail.

Light makeup (if you wish for them to wear any).

White shoes.

Black bike shorts.

White Bodysuit.

Neck scarf.

I will bring the skirts and scrunchies.

Students will need to bring their own dinner, as we are required to stay at the theatre until the end of the show. Students are not allowed to enter the foyer to buy food. There is to be no hot food or soft drink in the holding rooms.

Audience members are asked to arrive and enter the theatre via the box office doors. On arrival you are required to sign in using the QR code. After signing in you must socially distance yourself prior to entering the auditorium. After the show, all audience members are requested to leave via the Pacific Highway doors and not the box office doors.

Please ensure you collect your child at the conclusion of the performance, approximately **9:15pm**.

Unfortunately, this year merchandise will not be available to purchase.
