## **Public Speaking Competition 2021**

Our Annual Public Speaking Competition will commence in Term 2 and all children of Wyoming Public School from K-6 will need to prepare a short speech and present to their class.

Students will need to prepare a short speech and present to their class in **Week 6**. The aim is to develop students' public speaking skills and confidence when talking in front of an audience.

Two successful students from each class will present their speech to their stage in Week 8. The overall stage winner will present their winning speech at our whole school assembly in Week 10. Parents will receive an invitation to attend to watch their child present their winning stage speech.

Students are to choose **one** from the topics below:
