Goodbye to the longest term in history!

Dear Parents and caregivers

Congratulations!

You have been officially awarded the *Excellence in Supporting Learning from Home award*.

Please accept this award with a big sigh of relief, pat on the back and pride in knowing that we are very grateful for your ongoing support.

As the Monday of Week 1 Term 4 (Monday 4 October) is a Public Holiday we ask that families collect the learning packs tomorrow (Friday 16 September) between midday and 4pm. Please note this will be the only time that the printed pack will be available. Following this they will remain accessible on the school website for download.

A special thank you treat will also be available for parents and students on this day to help start your holidays!

All families are now able to access a recording of Maggie Dent's webinar *Practical Parenting in a Pandemic* through the following link <https://youtu.be/DI9S14pf80I> Maggie's resources that are included for families are also available for download via <https://www.maggiedent.com/covidresources/>

Thank you to the families who have contributed to the Wyoming Lockdown Cookbook. It would be wonderful to include many more dinner recipes. Remember that no recipe is too simple or quick to include - we are looking for great tasting, family friendly meals.

Any communication over the holidays will occur through the school app so please make sure you have notifications enabled.

Now sit back, turn off the computer, put away the pens and spend some valuable time with your children for the next 2 weeks.

Take care

A handwritten signature in purple ink that reads "R. Wild." The signature is written in a cursive style with a period at the end.

Rebecca Wild
