Dear Parents and Caregivers,

Thank you again for the wonderful support you have shown our staff and their families by following the stay at home orders (wherever possible). The Premier's announcement that these will continue for a further 2 weeks is upsetting but necessary for the safety of all.

Please carefully read the following information as it contains information regarding the next 2 weeks.

Packages of Work - Early Stage 1, Stage 1, and Stage 2

These will be available for collection from the **HALL** on Monday 19 July from 9.30am until 3.00pm. Please bring any work that your child has completed so their class teacher can mark and give feedback during future phone calls. As mentioned in previous letters, the work that we have supplied are suggestions - you can return as much or as little of this as you choose.

We have incorporated some optional online choices for Weeks 2-3. If you do not have access to a device, please let us know when you are collecting the work package.

Please remember to wear your mask and have your phone ready to scan our school QR code.

Following Monday, the packages of work will be available from the front office and download from the school website.

Stage 3

As our Stage 3 students access google classrooms during their regular school days, they will continue this remotely. If you would prefer that your child complete printed work, please call the school before Monday so this can be arranged.

Although a final decision on camp is pending, we are not accepting any further payments. Should camp need to be cancelled, all money will be refunded. Payments using POP will be refunded back to the credit card it was made on. Unfortunately, payments made in cash can only be refunded through bank transfer which will require you to provide details of a nominated bank account.

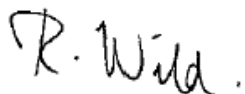

We will communicate this to you as soon as we are able.

Contact with teachers

Thank you for the positive feedback our teachers have received when calling you. We are pleased to confirm that we will be continuing this in the coming weeks. In addition, we will also have a teacher available to provide immediate phone assistance for any difficulties faced with the work package. Please call the school on ph. 4325 2181 to access this support.

I can not emphasise strongly enough that the work is not intended to cause undue pressure on families. Please continue to use your discretion when deciding how much work your child can complete and remember that your number 1 role is as a parent. I assure you that if your child has good attendance (when schools are re-opened) any lost learning time will be quickly made up.

Hang in there. No storm lasts forever. Better days are coming.

A handwritten signature in black ink that reads "R. Wild." The signature is written in a cursive, slightly slanted style.
