## Update for Week 5

Dear Parents and Caregivers,

Congratulations on surviving another week of lockdown! For those of you who are at home for work or other reasons we are very thankful to you for keeping your children with you.

We understand how difficult it is to try and complete your daily tasks while supervising your children however, the current situation at Lake Munmorah Public School has emphasised the importance of supporting the stay at home orders.

We send our thoughts to the students and staff as the school is now closed while undertaking deep cleaning, and everyone who was on school grounds in the days prior must isolate with their family for 14 days while contact tracing occurs.

If you are feeling the need to “have a break” perhaps now is the time to allow your children a movie marathon afternoon or some additional time participating in an activity that they do not need your assistance with.

### **A Reminder about the App**

If you have not downloaded the Wyoming Public School app, please do so as it is our first and main way to communicate with families.

We have worked hard to make the app more user friendly for parents and are excited to have launched a new feature whereby school notes are easily accessed from the main page.

Please also take a moment to check that you have notifications enabled, and that you close the page after each use to ensure that it automatically refreshes when opened thereby ensuring you will be viewing the most current information.

It is available for download on iPhone and android.

### **Packages of Work - Week 5**

As per previous weeks these will be available for collection from outside the hall on Monday 9 August from 9am-3pm. All work packages are for 1-week duration. Don't forget

to bring your package from the previous week regardless of whether it is completed for teachers to mark.

Stage 3 students will continue to access their work through Google Classrooms. If you would prefer to have your Stage 3 child complete printed work this will be available for collection at the time stated above.

As we continue to support the direction of reducing the number of people on site, we ask that wherever possible you collect the packs during this time only.

**A final laugh...**

My husband took this photo of me last night after a day of working from home while teaching my boy - it's obviously going well for us!

Take Care

R. Wild.
