STAGE 3 CAMP - COVID SAFE PLAN

In line with NSW Health orders, all students participating in overnight excursions are required to be fit to travel. Any student with illness 24 hours prior to leaving **must not** attend.

We strongly recommend all students perform a rapid antigen test (RAT) the night before travel (Tuesday 24 May 2022). A test will be provided to families for this purpose.

Students presenting with symptoms of COVID or sharing a room with a student presenting with symptoms of COVID will be required to complete a RAT test as per the advice of the Department of Education Health and Safety Directorate (self-administered).

In the case of a positive RAT test or other illness while away it is the responsibility of parents to arrange for the collection of the student involved.

Any students or staff who are deemed as higher-risk contacts to a person who has tested positive may also need to be collected. This decision will be made on the advice of NSW Department of Education - Health and Safety Directorate and NSW Health.

Masks continue to be mandatory on public transport for people in NSW. This applies to students and staff aged 12 years and older when travelling on excursions.

Please complete the attached form and return to your class teacher no later than Friday **13 May 2022**
