Kindergarten News Topics – Term 2 2021

Dear Parents,

In Term 2, Kindergarten News presentations will have a different focus each week. Your child needs to speak for approximately one minute. This does not need to be a rehearsed, word for word speech, however having a quick brainstorm of what they may talk about will be helpful. Children may bring in photos, drawings or objects from home to help them.

| Week | Topic/Focus |
|------|--|
| 1 | My holidays |
| 2 | My favourite animal |
| 3 | When I grow up |
| 4 | - Public speaking week |
| 5 | My favourite book |
| 6 | My pet/If I had a pet |
| 7 | Tell a joke or share an interesting fact |
| 8 | Free choice |
| 9 | My family |
| 10 | My dream holiday |

We will be working towards:

- Speaking in a clear and audible voice
- Looking at the audience when speaking
- Staying on topic
- Attentive listening as an audience member
- Asking interesting questions that are related to the topic

We ask that children do not bring expensive toys or valuables to school. Students will be responsible for any objects brought to school.

Kind Regards,

Megan O'Riley and Emily Marsh
