Child Protection Program

Dear Stage 3 families,

As part of the Personal Development, Health and Physical Education curriculum students will participate in Child Protection lessons. These lessons will focus on protection, types of abuse, identifying risk situations and ways to explore alternative courses of action.

The Child Protection lessons have been developed by the NSW Department of Education and they are an important priority for schools.

If you would like more information about the program, please feel free to contact me.

If you wish for your child **not** to attend these very important lessons, please write to inform your child's class teacher by Friday 14 October 2022.

Melissa Sturgess
PDHPE TEACHER
