Personalised Learning and Support Plan (PLaSP) K-3H

27 February 2023

Dear Parents/Caregivers,

Over the next few weeks we will be meeting with our families to develop each child's Personalised Learning and Support Plan (PLaSP). The PLaSP is designed by the class teacher in consultation with parents and will establish both learning and social goals. The PLaSP is a working document that is updated as your child's needs change over the year.

These PLaSP meetings will go for approx. 30 minutes and be completed either in person at school or over the phone.

Parents/Caregivers who attend onsite will need to sign in via the office and show proof of vaccination as per COVID procedures.

Please indicate below the time that would best suit you to attend this meeting and return to school.

Once meeting times have been finalised, you'll be notified.

Student's Name: _____

- 9:00am-11:00am
- 11:00am-12:30pm
