Welcome to K-3H 2023

Dear Parents and caregivers,

Welcome to the new school year! Both myself (Ms Emily Hurst, Classroom Teacher) and Ms Megan Buckland (School Learning Support Officer, SLSO) are so excited to be back in the classroom with some familiar faces as well as some new ones.

Below is information that will explain organisation for the year and items that we request to be supplied.

Equipment:

2 boxes of tissues
1 paint shirt (an old t-shirt is fine)
Library bag
School hat

Personal Care and Belongings

Can all students please have a spare change of clothing in their school bag including spare underwear? If your child requires nappy changes, please make sure that spare nappies have been sent in.

We ask that all student belongings (hats, jumpers, drink bottles, lunch boxes etc) have your child's name on them-this will help us return them back you.

Home Reading Scheme

Students are strongly encouraged to participate in our home reading program. We have recently reviewed our school home reading program and are now asking students to read a minimum of 4 times per week. All students will be supplied with a book at a suitable reading level which you may prefer your child to read. However, if you would prefer to read books that you have at home, please feel free to do so.

Library:

Library is every Wednesday with Mrs Walton. The children need to bring a bag to protect their library books.

Technology:

K-2H students access the computers and iPads in the classroom. Technology lessons include learning about computers, their functions and how to access and use various computer applications. We access the classroom interactive whiteboard each day to supplement learning activities.

Personalised Learning and Support Plans:

At Wyoming Public School student learning is catered for through the development of a Personalised Learning and Support Plan (PLaSP). This plan is designed by the class teacher in

consultation with parents and will establish both learning and social goals. PLaSP meetings will be held later in Term 1, with further information to be sent home shortly.

Crunch'n'Sip

Wyoming Public School has a quick fruit break every day at 10am. Please ensure that your child has a piece of fruit or some fresh vegies and a bottle of water. If possible, please pre-cut your child's fruit if needed.

Sport:

Sport will be held on Fridays. Students will participate in a number of different activities over the year including gross motor activities, ball games and will be integrated into this mainstream activity as appropriate.

Term One Unit of Work:

This term for health we will be working on our social skills and navigating play spaces safely.

Visuals

We are happy to share visuals that are used in the classroom with families. These include Ms Hurst, Ms Buckland, classroom etc. If you would like hard copies, please let me know and this can be arranged.

Absences:

It is a Departmental requirement that parents provide a letter or verbal message explaining a child's absence from school. The free Wyoming Public School app has an option to message the school regarding absences, or you can send a note. For any upcoming leave (short or long term or partial i.e. part of a day), please provide a letter informing the school of your child's leave prior to the period of absence. Please provide a letter informing the school of your child's upcoming leave prior to the period of absence.

Communication:

It has been requested that all communications and queries this year please take place via school email wyoming-p.school@det.nsw.edu.au or via the school phone on 4325 2181. This will ensure that your message is passed onto the correct staff member in a timely manner.

School Website:

This year action shots of student's learning will only be uploaded to the school's website in the 'class pages' section. These will be updated regularly.

Should you have any questions please feel free to contact me via school phone or email.

Kind regards,

Emily Hurst
K-3H CLASS TEACHER
