	Monday	Tuesday	Wednesday	Thursday	Friday
	start with the letters **s a t p i n .**				
	Mathematics Practise writing your numbers starting from 0 in your workbook. How far can you go? Use a dice to roll a number sentence. For example roll the dice and write down the number rolled. This will be the first number in your addition number sentence. Roll the dice again and write down the number, this will be the second number in your addition sentence. Add the two numbers together and record your answer eg: 4 + 3 = 7 Do these ten times and record your number sentences in your workbook. **Additional Optional**	**Mathematics** On the back of your handwriting card trace the numerals carefully then write them in your workbook. Collect 10 different toys from your room and put them in order from shortest to tallest. In your workbook draw your toys in their order. Choose something small (blocks, crayons, paper clips) to use to measure your smallest object and your tallest object. Record your answer in your workbook. **Additional Optional Activities** Log onto study ladder and complete some of the activities.	**Mathematics** Practise counting backwards from 20. How far can you count forwards? Shape hunt: What shapes can you find in your favourite book? Draw and label these shapes and count how many sides each shape has. Complete the 'Two-Dimensional Shapes' worksheet. **Additional Optional Activities** Log onto study ladder and complete some of the activities. Find some lego or small	**Mathematics** Create your number 11 booklet. Fold the sheet in half and half again and then complete the activities on each page. Gather 11 small objects eg – 11 leaves from outside, 11 blocks, 11 lego pieces. How many ways can you make11? For example, 6 leaves + 5 leaves =11 8 leaves + 3 leaves = 11 List all the different ways you can make 11 in your workbook. **Additional Optional Activities** Log onto study ladder and complete some of the activities. Practise writing your numerals on the back of	**Mathematics** Ask someone to help you collect 20 objects. Practise counting your collection, forwards and backwards. You could even try starting from different numbers (for example, start with 5 objects and keep counting). Complete the 'Numbers about Me' worksheet. Complete the 'Colour by numbers' worksheet. **Additional Optional Activities** Log onto study ladder and complete some of the activities. Roll a dice and add two numbers together. Can

	Monday	Tuesday	Wednesday	Thursday	Friday
	Activities Log onto Study Ladder and complete some of the activities. Search around your house to find as many 'teen' numbers as you can. Write them down in your workbook. Practise writing your numeral on the back of your handwriting card.	Practise counting backwards from 20. Can you count backwards from numbers higher than 20? Write your numbers backwards from 20 in your workbook.	objects that you can make in to a repeating pattern. Draw the pattern in your workbook.	your handwriting card. Copy them neatly into your workbook. Be sure to form the letters correctly.	you count on from the first number rolled?
	Science Complete the 'How about this weather' activity. Make sure you glue your completed work into your workbook.	**Creative arts** Can you make an artwork made from leaves? Take a look at the examples on the 'Leaf Art Page' get creative and make a beautiful work of art!	**History** Talk to a grown up about things that were different when they were in Kindergarten. Did they use iPads and computers? Did they have a smartboard? Sort the pictures of things from the past and things that you use today.	**Creative Arts** Talk to a grown up about what makes a good friend. Tell your grown up about your friends and why they are such a good friend to you. Draw a picture of a good friend. You might like to draw a portrait of them or you might draw you doing something with your friend.	**PDHPE** Practise kicking a ball with a family member. Can you set up a goal or target area. Try kicking the ball in to the target area. Mindfulness – Octopus colouring activity.

Tuesday - Week 2

Date: _____

Trace, Draw and Order a Sentence

1. Trace the words in the sentence.

He can see the fish.

2. Draw and write what is happening in the sentence.

3. Cut the words out and glue them into the boxes in the correct

Teacher Resources

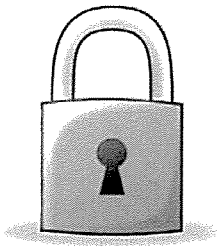
He	the	fish.	see	can

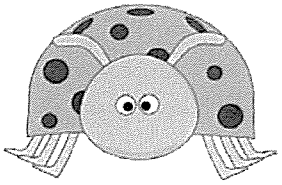
Tuesday - Week 2 _____

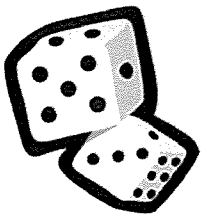
Rhyming Words Cut & Paste

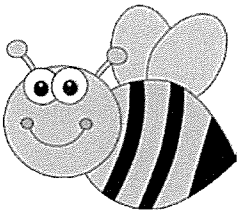
Cut, sort, and glue the pictures under the word that rhymes.

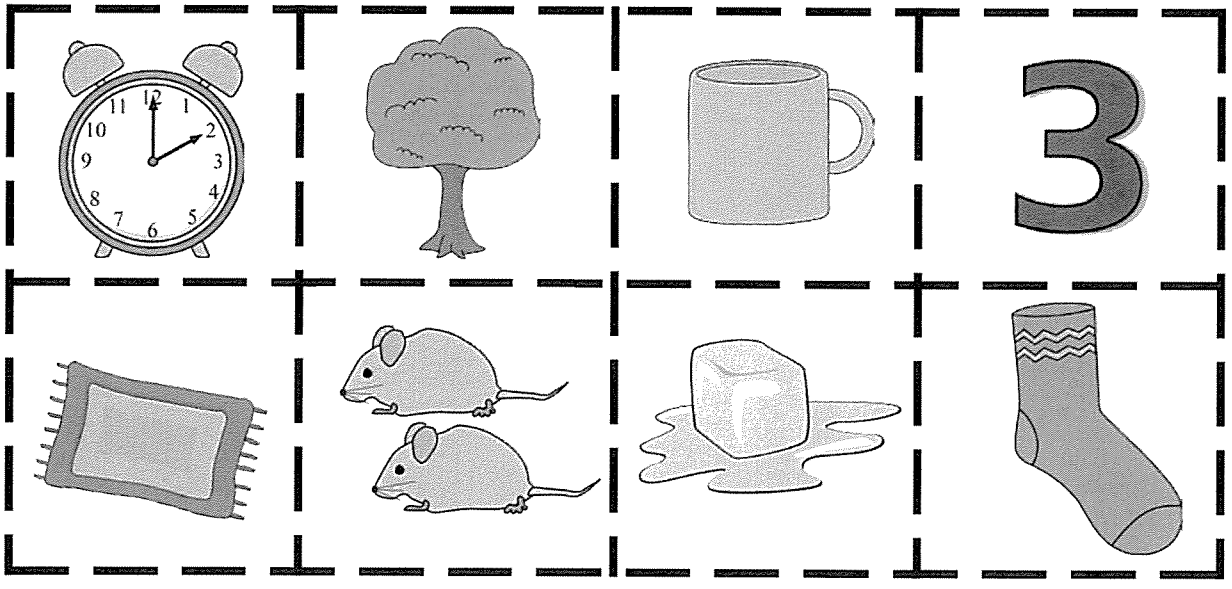
			







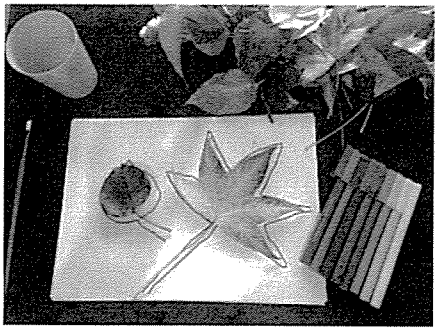




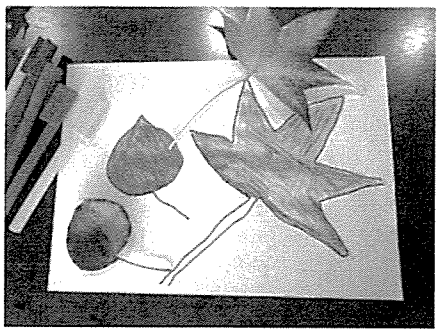
Tuesday - Week 2

1. Draw

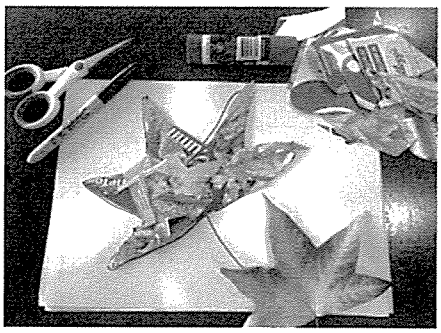
Step 1 - Trace your leaves



Step 2 - Colour your leaves



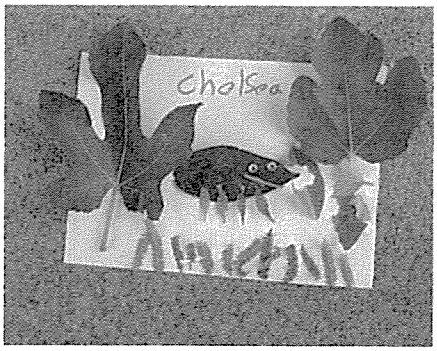
Step 3 - Use magazines or catalogues



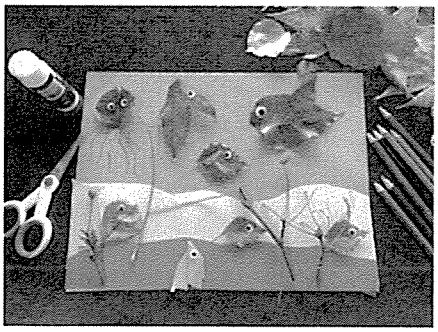
2. Create characters

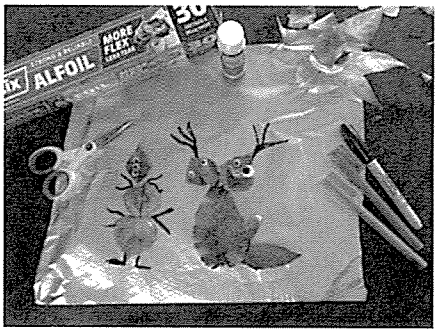
Use your **imagination** to change your leaves into new things.

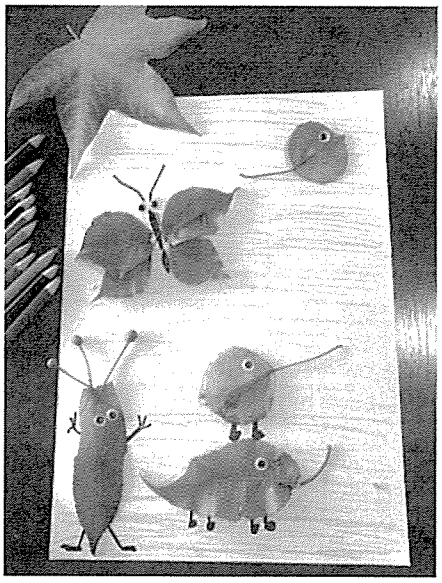
Perhaps they will become animals or aliens like these examples.



Faulconbridge Public School



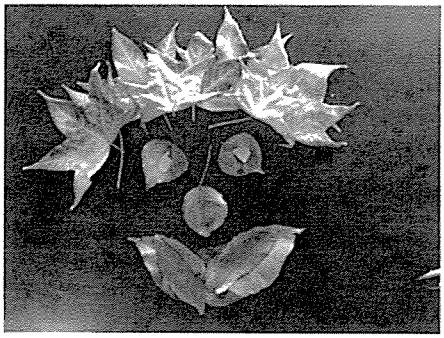




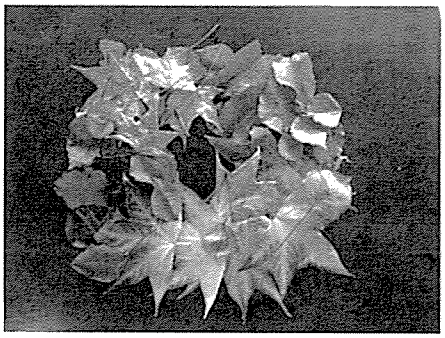
3. Leaf creations

Use your leaves to create artworks. You might like to try the examples below or create something of your own.

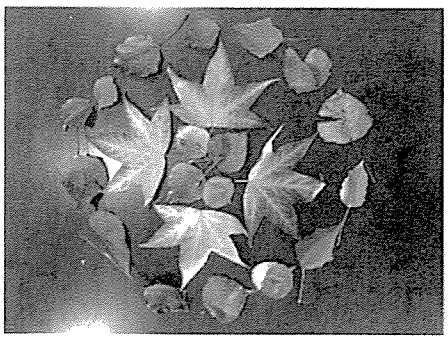
A leaf face



A colour wheel of autumn leaves



A mandala (pattern)



Wednesday - Week 2

Date: _____

Trace, Draw and Order a Sentence

1. Trace the words in the sentence.

She can see the pig.

2. Draw and write what is happening in the sentence:

3. Cut the words out and glue them into the boxes in the correct

Teacher Resources
